Site Seeing Information

Interesting information on Elma WA/Site information

Elma?

How did Elma get its name? It depends on who you ask.

One of many versions is that the town was named in honor of Elmer E. Elisworth, who was the first Union soldier killed in the Civil War. Postal authorities, so the story goes, didn't go for the name Elmer, so the "er" was dropped and "a" was added.

Another version holds that the town was named for Elmira Hunter, whom local folks called Elma.

Another version was that James Long Waldrip named the town to honor Elma Austin, daughter of an Elma pioneer
