Heads up for Tomorrow

8:00 AM Pit Meeting

8:30 AM Qualifying

Meet your Race Director Dave Young

Dave Young began Racing in QMA in 1985 with his oldest son David. He then raced his two younger sons Chris and Mike. Dave served as club president at his home track Buckeye in Ohio. He was Regional Director for Region 4 in 1997-1998. In 2004 Dave was asked to step in as QMA president for an interim period of 6 months. The most notable of Mr. Young's accomplishments is his Grands Race Directing. He began race

directing the Dirt Grands ten years ago. Beginning in 2003 Dave then began Race directing all three Grand National events.

Currently Dave lives in Ohio with his wife. He has five grandchildren ages 3 through 9. He looks forward to begin racing his Grandson Dave who is currently 4 1/2 years old.

Dave's calming tone and complete control of the race event makes Dave a true asset to our sport. We all appreciate and thank you.

If you are using your own transponder please make sure you bring the transponder number to the registration trailer. If you have already done so please check the transponder listing on the line up board to make sure we have the correct number. If you need to purchase a bracket they are available in the hospitality tent.

First Day of Practice Completed

The first day of practice began shortly after 10:00 a.m. with approximately 300 cars. The weather cooperated, there were no serious incidents and the children did a great job both on and off the track.

Two full rounds were completed and practice will resume today.

All cars must come into the staging area in qualifying order and be ready to take the track. If miss your group you will miss your practice session.

"If everything seems under control, you're just not going fast enough"
