

Capitol Quarter Midget Association and its members would like to take this opportunity to invite you to the 2010 Dirt Grand at the Roy Hayer Memorial Raceway in Rio Linda, California.

Roy Hayer Memorial Speedway is located on approximately 15 acres in Sacramento County. Its dirt track has been home for CQMA since the early 1950's. The race track includes a 1/20 mile dirt, banked racing surface, an air conditioned scoring tower and judging area, a snack bar, shaded spectator seating and a large pit area. Ample parking is available.

We hosted the Dirt Grand in 2007 and are excited to be doing so again. This year we will celebrate more than 50 years in our location. During 2008 we faced seeing our home turned into a riparian preserve by the county. We are pleased to say that our political and financial efforts have paid off. Thanks to the help of many friends, both old and new, CQMA will stay "home" for at least the next 100 years.

Our membership has been working hard since the beginning of the year to spruce up the facility for company. We've planned activities for the kid's when they are not racing and for families in the evenings. The Sacramento area has many family activity areas within a few miles of the track. We are within a couple of hours of the San Francisco Bay Area, Reno and the Redwoods of Northern California.

Our location, facility and family friendly atmosphere make Capitol a great location for a Grand event. We look forward to welcoming you to our racing home.
