Meet Dana Michalski & Taylor Crouse

Who are these lovely young ladies that we have seen pit stewarding all week. They are Dana Michalski and Taylor Crouse. Dana and Taylor are two graduate racers who are here to “give back” to this sport.

Dana, now 20 years old, raced in QMA for eight years. Dana now is a full time college student at Bucks County Community College also works two jobs while in school. She and her family traveled across the country racing in QMA. Dana has been our pit steward at the last four Grand nationals.

Taylor recently graduated high school and will be attending Kutztown University in the fall. Taylor raced in QMA for 10 years and appeared in six Grands “A” mains. She graduated from quarter midgets in 2009 from the Oaklane Club.

Dana and Taylor are best friends and are truly an asset to our sport. On behalf of all the members of Quarter Midgets of America we thank both of you for your hard work and dedication to our sport.
