A Mains at the 2010 Eastern Grands

The day is finally here! Months of anticipation, hours of practice, hundreds of gear and tire changes all for that one moment each quarter midget racer dreams of... racing in an A-main event of a National Race. Today we will see 16 races with the best Quarter Midget Race car drivers in the country. Our week will end with new memories of our Quarter Midget Racing experience. We will leave knowing that we have made new friends and have touched base with our old friends. Each Grands we leave with our families with a specific memory that we will always remember. It may be on the track, or in most cases, off the track. Experiences like these are what put our sport above the rest. Our goal is to keep these experiences going for future generations.

Good Luck to all our A Main Racers.

Quote of the Day

Live Video from Mini Indy

As a result of the generosity of some of our members we are proud to offer live video coverage of the races here in Indiana. Video, as well as, audio from our awesome announcer-Bill Shipman Can be viewed through the QMA web site www.quartermidgets.org. This link will remain until the A mains conclude. This is a first for Mini Indy and QMA. Our thanks goes out to those special people who made this happen.

Trophy Handouts

All trophies will be given out after the A-mains have finished.

We would like to thank all of the people who have worked to make this grands a success this year. From the Pit Stewards, the fuelers, the judges, the corner workers, the scorers, tech committee, safety people, and all the behind the scenes personnel, we thank you from the bottom of our hearts for your hard work and dedication to the sport. Without all the volunteers quarter midget racing would not be possible.
