

# DECO ENGINE APPEAL FORM

DECO engines raced or timed in any QMA class are subject to technical inspection. When Deco engines are deemed illegal by Tech inspectors the handler has 15 minutes from the time he/she is notified to contest the DQ via the following steps:

- Deco Appeal Form will be completed, with date and time of day included, and presented to the handler by Tech official.
- Engine/Parts are held in the possession of Tech officials until this 15 minute protest period is expired.
- Within that 15 minutes handler must sign on the appropriate line on the form. I.E. I choose to appeal or I choose not to appeal.
- DQ'd/Appealed engine or parts will not leave the possession of tech inspector and will be shipped to the Regional Tech Director. A copy of this form will be enclosed with all confiscated items. Copies MUST be made and retained for reference. ORIGINAL COPY SENT TO NATIONAL TECH DIRECTOR. All decisions by Regional Tech can be reviewed by National Tech Director.
