

HONDA ENGINE PARTS CONFISCATION & APPEALS FORM

INSTRUCTIONS:

If during a technical inspection of a Honda Engine, raced or timed, in either the Honda or Novice Class, an illegal part is found, it must be confiscated. Additionally, the discovery of one illegal part **REQUIRES** that **ALL** engine parts must be inspected. I.E. Engine must be completely torn down.

- The form must be completed with date and time of day included and presented to the handler by tech official.
- Engine/Parts are held in possession of tech official until the 15 minute protest period has expired.
- Within that 15 minutes handler must sign on the appropriate line on this form. I.E. I choose **to** appeal or I choose **not to** appeal.
- Confiscated/Appealed engine or parts will not leave the possession of tech inspector and will be shipped to the Regional Tech Director. A copy of this form will be enclosed with all confiscated items. Copies **MUST** be made and retained for reference. Confiscated parts and original forms must be sent to National Tech Director. All decisions by Regional Tech can be reviewed by National Tech Director.
- Form will be completed and enclosed with all confiscated or appealed engine/parts to the National Tech Director within 5 business days for a final ruling. Copies **MUST** be made and retained for reference by all parties involved.
- Failure to relinquish any part in it's original raced condition may result in the permanent revocation of the Driver's, Handler's and Family's QMA membership
- Attach claim forms if applicable.
