Rule Honda Claim Article 6A Section 1 Page 25

Present Wording:

Engines may be claimed for \$550.00 cash only.

Proposed Wording

Engines may be claimed for \$750.00 cash only.

Reason for Change

The average price for a new Honda 120 is \$750.00. The average price for a new Honda 120 is \$800.00. This does not include shipping. Bringing up the claim amount to current price would allow a member to replace an engine if it is claimed without having to absorb the loss. I want to make the rule book consistent for claim amount with World Formula which is currently \$1750.00, the average price for a World formula engine.

(Optional)

I give my permission for our Regional Director, his assistant or/and person designated by him to alter or change this rule change to suit the needs of Q.M.A. Yes No

Proposed Implementation Date

4/1/2009
